

My name is Josh Wich. I am 26 years old, my beautiful wife and I have three awesome children. We live in Wyoming, Delaware. I operate 2 small businesses and I fish the tidal rivers of the Chesapeake Bay including Upper Bay, Choptank, Nanticoke, Potomac and the Wicomico.

I have fished local tournaments for the past several years and I am ready to make a move to fish the Bassmaster Opens, ESPN Weekend Series and BFL's in 2010. My goal is to get sponsorship deals to help along the way. I will provide excellent visibility for your business both locally and regionally.

Please contact me at (302) 331-3100 or josh@joshwich.com for your sponsorship opportunity.
